**ELECTION**

Sir:

In response to the Restriction Requirement of August 13, 2004, a one month extension of time being submitted herewith, Applicant elects to prosecute the First Species, Figures 11A and 11B. Applicants believe that Claims 1-3, 5, 8-14, 35, 36, 38, 41, 57-58, 62 and 66 are readable on this species. Applicants are making this election without prejudice to later filing a divisional application on the non-elected species and/or claims.

Applicants note that Claims 67-70 were added in this application in Preliminary Amendment A which was filed on April 24, 2002, but not included in the pending claims of the restriction requirement. Applicants, however, are not electing to prosecute Claims 67-70 in this application.

Respectfully submitted,

Date: September 21, 2004
